

KEY FEATURES

- DOT Compliant P2 P3 Clearance Marker
- Dual Color, Amber & White, Scene Light
- Dedicated Wires for Each Color, Amber & White
- Chrome Plated Cast Aluminum Housing
- Mounting Gasket & Stainless Screws Included
- 5 Year Warranty

The MWL-32-YWCL is a dual-colored, amber / white, exterior mounted work light, scene light, or load light. The white work light features a powerful 1,100 lumens beam and directs the light downward at a 45-degree angle. The amber light is controlled by a dedicated wire and is a DOT compliant P2 P3 clearance marker light. This light features a polycarbonate lens and a chrome plated cast aluminum housing. It ships with rubber mounting gaskets and includes stainless steel mounting screws. It is backed by a 5-year warranty.
